Track Events Meeting Manager / Track Referee Statement.

I certify that the start of this performance was in accordance with the rules of UKA/WMA. The time recorded on the form is that indicated by a **fully approved and aligned Automatic Timing System**. Should Automatic timing not be available, times of distances of 1500 metres and above can be included based on a time shown on three stopwatches, as decided by chief timekeeper#.

For Hurdle and Steeplechase Races the height and the specification complied UKA /WMA. Rules for that distance. Race Walks must have fully Qualified Walks Judges.

For outdoor events 60/100/200/60H/80H/100H/110/200H the wind speed indicated by an approved device wasm.p.s.

Field Events Meeting Manager / Track Referee Statement.

I am satisfied the equipment used in this event complied with all the rules set by UKA / WMA. The stands used to support the bars in height competitions fully met the above rules, and the Jumps pits and Runways did likewise.

The weight and implement used by the competitor fully complied with UKA / WMA implement regulations.
